

### PRAY FOR COP27-

For the government and people attending COP27

- For each government represented that they will all understand the seriousness of the climate crisis and that each leaders will come with a commitment to progressing a fair and just solution
- The government of Egypt for wisdom and safety
- That the war in Ukraine will not cause paralysis in negotiations.
- Safe travel for delegates, provision for those attending from poorer countries

### For actions towards moderating climate change at COP27

- For countries to come with revised plans to reduce their carbon emissions
- For the promises made in 2015 to help developing countries use green technology to improve the lives of their peoples, to be finally delivered.
- For the issue of 'Loss and Damage' suffered by developing countries to have greater focus and commitments made to supply funding to address this by the most polluting countries, including our own.

Pray that the nations of the Earth will take further steps from slavery to fossil fuels towards freedom for all people across the planet, together with the whole community of God's rich creation with whom we share the Earth.

Please start thinking about what YOU can contribute to the next issue of The Rooted Life. The next issue will be available on 4<sup>th</sup> December, so all articles to the office by Sunday 27<sup>th</sup> November. Thank you in advance. It would be lovely to have some items from our children and young people - please give it some thought.
