

Prayer Focus June 2023 – Windmill House

Windmill House, situated in Browick Road, Wymondham, provides residential and dementia care to around 50 people. Wymondham Baptist Church is one of a group of churches in Wymondham visiting the home to provide monthly worship services for the residents. It is an opportunity not only to provide a Christian service, but also to chat to the residents, build up good relationships, and be a listening ear.

Please pray:

- For those at WBC and other churches, who visit Windmill House, that they may be a great blessing to the residents, through the time of worship, and also as they chat informally.
- For all those who are living at Windmill House, that they find great comfort and security throughout their time there, and that they experience God's love for them on a personal level, through the visits of the worship teams.
- For the staff at Windmill House, as they provide care for the residents with kindness and compassion.
